

ABOUT THE COLLEGE

Veltech Multitech Dr.Rangarajan Dr.Sakunthala Engineering College was started in the year 2000 by Dr. R.Rangarajan to promote education and research in the field of engineering and technology.

The college has dedicated itself in providing quality technical education in addition to inculcating moral values to its students. The college has well equipped laboratories, workshops, library, hostels, sports facilities. The college offers fifteen branches of studies with seven UG and PG programmes.

ABOUT THE CONFERENCE

NT – BEECOM '11 is a national level Students conference conducted by Departments of Electronics and communications, Electrical and Electronics & Biomedical Engineering. It aims at providing opportunity for technocrats and engineers to exchange their ideas in inter-weaved fields of Electrical, Electronics and Biomedicine. It also provides a platform to highlight current challenges and issues of quality assurance in the field of engineering. With this conference, the delegates can exchange and share new advancements and research results in the relevant areas which will benefit the human society at large.
