

In-Plant Training (IPT) 2011 & Industrial Visit Awards

Vel Tech Group of Institutions, as a part of the Industry Institute Initiative, deputed Students to industries for summer internships and Inplant Training. Every year this deputation ceremony is celebrated as IPT Inauguration and last year's IPT Inauguration function was organized on 16th May 2010 in the Vel Tech University Campus and it was inaugurated by Dr. T. Ramasami, Secretary, Department of Science & Technology, Govt. of India.

This year around 1770 students were deputed to 105 industries and this year's IPT Inauguration was presided by Prof. Dr. M. S. Ananth Director, Indian Institute of Technology, Madras. As a part of the function, we also distributed awards to the best Industrial Visit report submitted by students. These awards are to encourage the student's involvement during the industrial visits and to increase the frequency of interaction with the industries. These industry interactions are possible because of the institute's relationship with over 2000 industries across the globe and the continuous performance of our students in those industries. 451 students got awards for submitting best Industrial Visit report.
